

What words could ever paint the picture depicted below? The missions impact realized by the stewardship of this church during 2016 was far reaching and life changing. The evidence is found by scanning the Ledford Council grants, the Special Offerings received, the "boots on the ground" of our members working to make a difference in the world, for the sake of Jesus Christ. And this does not include the outreach impact of the broadcast ministry. God is good! Peace~Lisa A Anthony, Church Administrator

**Hayes Barton Baptist Church
